5-bedroom apartment in the Eixample

At Sergio González Real Estate we have the luxury of presenting this exclusive property in the prestigious golden square of Barcelona's Eixample, located in a recently renovated and high-class regal building.

This 210 m² architectural gem is perfect for lovers of original details, such as mouldings, coffered ceilings and listed tribunes. The property, which retains the charm of another era, has a spacious and flexible layout that allows you to create more rooms with a small renovation.

It currently has 3 bedrooms, 2 full bathrooms, a large kitchen with access to a gallery/laundry room, a stately hall, a large outdoor living room overlooking the street with balconies and tribunes, and a large outdoor dining room. Every corner is bathed in natural light, highlighting the high ceilings decorated with frescoes, large windows and period carpentry.
